

Dear Friends and Partners in Ministry,

We want to take this opportunity to wish you a very blessed and Merry Christmas! As I write this, it is 95 degrees Fahrenheit, and the sun is shining.

### “PEOPLE WE FLY FOR,” PART II

Another SAMAIR PERU flight client is FAIENAP, which is a fraternity of indigenous churches in the Amazon Basin (jungle part) of Peru. These brothers and sisters from many different native Peruvian

ethnic groups are dedicated to finishing or revising Old and New Testament translations of the Word of God in their own languages. Often, they are picking up where Wycliffe Bible Translators or other expatriate missionaries stopped and seeing this important work to completion. The weekend of October 21, SAMAIR pilot Jon Schmidt had the privilege of flying guests out to a village in the north for the dedication of the Old Testament in the Aguaruna language. **THANK YOU FOR YOUR PARTNERSHIP; IT MADE THIS FLIGHT AND MANY OTHERS CONNECTED WITH BIBLE TRANSLATION IN PERU THROUGH THE YEARS POSSIBLE!**

### MILESTONES

**CELEBRATE and PRAISE THE LORD** with us for several milestones in our lives, as Mike and I marked twenty years of service in Peru on October 30. On November 10, Annette celebrated 18 years of life, and on November 26, Mike and I celebrated 23 years of marriage.

In his Service,

Nancy for the family

### PRAISE AND PRAYER

Thank you for praying for Mike through the process of exporting two aircraft engines to the U.S. Monday November 7, Mike got word that they were at JAARS in Waxhaw, NC. This is a HUGE praise, as this process has taken months longer than normal.

**PRAY** for the hangar repair project to fix the roof damage caused by the September windstorm. We are planning to make other structural repairs as well.

### A PERSONAL REQUEST

Over the past two years, I have been having vision difficulties. The cataract on my right eye was now operable, so Annette and I traveled to Lima on Thanksgiving Day to see an eye surgeon on the 25th to measure for the lens implant for the actual surgery which was scheduled for November 29 in Lima. Mike and Daniel came to Lima on December 3. Praise the Lord the surgery was a success, I am now seeing better than I have in years!

Many blessings to you as you reflect on the humble and gentle ways of the Savior who still comes to us, collectively and individually. He is still the same, and is worthy of our praise! Thank you so much for your partnership in the ministry of SAMAIR Peru!
